Dear Parents and Carers

We are delighted to inform you, that due to the outcomes of PCR tests, further advice and a review of our risk assessments that Willow, Elm, Maple and Cedar classes will be reopening next week. Unfortunately, due to further staff absence linked to self-isolation within families, we will not be able to open the Rowan class next week. Remote learning will be offered from Monday. Rowan Class will remain closed until Monday 12th July. As I am sure you are aware, the situation is constantly changing. We will endeavour to continue to keep as many of our classes open as possible, but would again ask for your assistance in this by keeping any of your young people at home if they are at all unwell. Please do not hesitate if you have any questions. We will continue to update you with any advice. Heidi Hoskin Head Teacher

Cherry class went on a litter pick this week at Par beach. They are learning all about the environment and how important it is to keep our community spaces safe and clean.

Please send in your sunflower pictures to
