

Celebrating Apple Class!

Term:
Summer 2

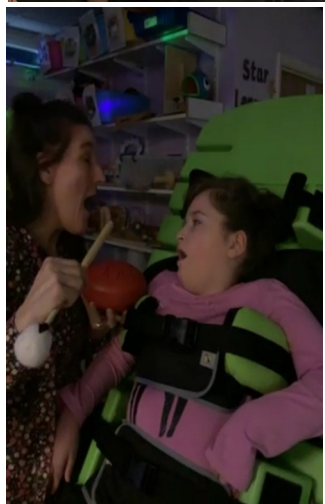

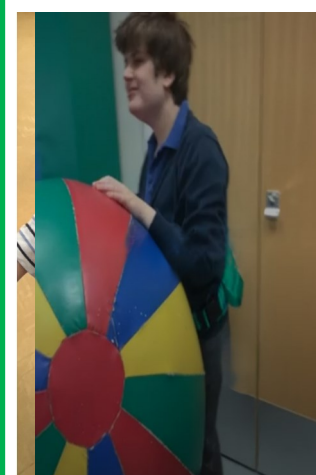

Welcome back, hope that you all had a lovely half term break in the sunshine! We will be incorporating some Olympic themed activities into this half term and learners will have their Sports Day! Our class will be representing Great Britain and we will be sharing some typically British art, cookery and sports themed activities planned to celebrate before continuing with our Space topic.

We have had a wonderful half term discovering our Space topic! We have got very messy exploring ingredients whilst making space cakes, sensory dough and space mousse in Sensory cookery. Thank you for the class fund donations!

We have enjoyed exploring cause and effect and practising our hand skills creating lovely space themed art work exploring paint, glitter, clay, foam, brushes and rollers.

Adding Drama Therapy to our class timetable has been great fun and provided us with lots of new opportunities to initiate and anticipate fun activities, our favourites being the sound of the loud horn and the water spray!

Reminders!

WHAT'S ON
