

# Celebrating Oak class!

Term:  
Summer 2

Welcome back! We hope you all had a wonderful half term break.

In Oak class, we are still working on our topic of out and about, which you may remember had a focus of the beach. It has been an adventure, and we would like to share with you the wonderful work and contributions to the topic that we have made so far along this journey!

## OUR CREATIVE ARTS

We have been learning about different instruments linked to our phonics sessions.

As part of our science week, we have been painting our plant pots.

We have been painting lots of pictures of different sea creatures.

We have had such fun creating our own sea creatures in our art lessons this term, linking this with the development of our fine motor skills.

In Oak, we have had lots of fun exploring our under the sea, water sensory table. Playing with lots of different sea creatures. Some of the children have been naming the animals and making the sounds that they make.

The class have been enjoying our beach sensory tray, making sandcastles and feeling the sand under their feet.

This term we have been developing our gross motor skills, learning to throw, kick and roll a ball towards a target or a person. We have been attending a lunchtime sports club working on many different physical development skills.

This term our fun adventures continue...

## DEVELOPING OUR SKILLS

Matching CVC words to pictures.

Lots of counting opportunities and recognising our numbers.

Creating under the sea

pictures and counting the bubbles.

Developing our ball skills.

## COMMUNITY INVOLVEMENT/BRITISH VALUES

Some of us got the opportunity to visit Par running track to take part in Bikeability. We were able to ride different types of bikes and got to interact with people in our local community.

We worked on our cooking skills and made some cakes to share with our friends.

We have continued to build on our relationships with others.

## Honourable WOW moments.

Lowen has been more confident in the water, when visiting the beach with his family due to his weekly swimming lessons at school.

# Reminders!

## Upcoming events!

This half term we will be sending home reports, please keep an eye out for these and an opportunity to meet and discuss the reports.

**Our sport day event will be on Wednesday 19th June at 9:30-10:30, everyone is welcome!**

## The class team..

You class team is made up of Emma, Rose, Andrea and Jo.

You may see our names in the diary from time to time!

## Next steps in our learning...

This term we will be working on our tracing and copying skills to create lines, circles, zigzags and wavy lines. In maths, we will be focusing on sorting objects by colours and different shades. We will also be counting to find totals. Kicking, throwing and catching can be very tricky so we will continue to work on these gross motor skills. This term, we will be focusing on using the toilet and using spoons/forks to eat our snacks and lunch. As always we will be continuing to work on building relationships with our peers and playing alongside others, sharing resources. We are hoping to continue lots of art and cooking this term, please remember to send in your kind donations of £5 to help make these lessons possible.

## Don't forget...

PE day, please wear comfy clothes (your child may be extra exhausted on a Wednesday!)

Swimming day (please send kit on a Monday ready for the week)

Outdoor learning (make sure we have outdoor clothing- sun cream and hats)

Snacks (Please keep an eye in the diary for when we run out of your child's snacks! Please send them in on a Monday)

For updates, information and useful contacts, please check our school website and Facebook pages.
