Dear Parents and Carers

Welcome back to the Autumn term! It has been so lovely to see all our learners back in school and lovely to hear the stories of what our learners have been up to over the summer break. We have had a busy week in class with lots of making and creating for various projects. I see our Christmas catalogue is in the planning stages! Over the summer break our site team have worked really hard on our new building across the road from our school, called The Orchard. We are really excited about our new space which now houses new meeting rooms a bespoke classroom, dinner hall, office spaces and an additional therapy room. We look forward to inviting our parents and carers in to our new space in the future for EHCP meetings and parent groups. Look out for information/contact from your child's class to keep you up to date on what your child will be learning this term. Wishing you all a lovely weekend.

*Heidi Hoskin Head Teacher.*

**'FREE' gardening equipment for schools!**  
For every £10 you spend (in store or online) at Morrisons, you'll get a Grow Token to help your school get everything they need to get growing. Download the My Morrisons app today to start collecting Grow Tokens.

Your chosen school will be able to exchange their Grow Tokens for FREE gardening equipment to get kids growing! **We are collecting these at Doubletrees! Please save them for us and send them in if you can. We could make good use of these in our new gardening space and poly tunnels!**

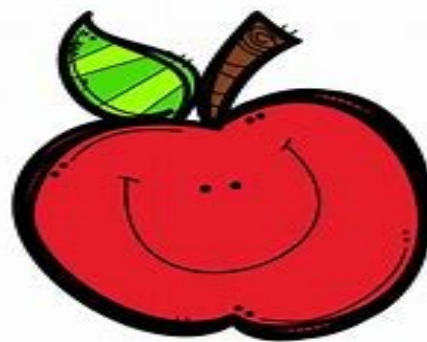

**Post 14 learners  
enjoying our new  
outdoor area. Over the  
summer we had our  
Poly tunnel re-skinned  
and are really looking  
forward to developing  
our horticultural skills.  
We also have a new  
forest school area for  
story telling and other  
outdoor learning.**

Cherry class making 'Apple Halwa' in our Work Related Learning & Independent Living / DT as part of our Pakistan topic. The learners picked the apples from our own trees, prepared and cooked them and then cleared up afterwards. Well done team Cherry!
