

## Healthy Cornwall in partnership with NHS Cornwall and Isles of Scilly Integrated Care Board

have installed a WellPoint Kiosk here at  
St Austell Library, throughout September  
until mid October

### What is it?

A physical measurement system that  
will provide information on the  
individual regarding:

- Weight and BMI
- Body Fat
- Blood Pressure
- Heart Rate and Age

### Results

Your individual results can be  
printed out or emailed to you.  
Track your progress if you attend  
the kiosk more than once over the  
coming weeks.

### Confidential Information

The information you provide  
at the WellPoint kiosk is  
entirely anonymous – only  
the statistics as a whole  
relating to BMI, Blood  
Pressure, Heart Health etc.  
will be shared Healthy  
Cornwall; personal  
information is kept  
confidential.
