Attendance Policy

Rationale:

All schools within our Special Partnership Trust seek to ensure that our pupils receive a full-time education which maximises opportunities for each to realise his/her true potential with regards to academic progress and social development.

Each of our schools will provide a welcoming, caring environment, whereby each member of the school community feels valued, safe and secure. All school staff will work with pupils and their families to ensure each pupil attends school regularly and punctually.

Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

Promoting good attendance

Reducing absence, including persistent and severe absence

Ensuring every pupil has access to the full-time education to which they are entitled

Acting early to address patterns of absence

Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

Part 6 of [The Education Act 1996](#)

Part 3 of [The Education Act 2002](#)

Part 7 of [The Education and Inspections Act 2006](#)

[The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

The Special Partnership works with Peninsula Education to provide attendance support and EWO services.

Recording attendance

4.1 Attendance register

All SPT schools keep an attendance register, and place all pupils onto this register. SPT schools take our attendance register at the start of the first session of each school day and at the start of the afternoon session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

We will also record:

- [For pupils of compulsory school age] Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupil arrival time is clearly stated in each school – and pupils are expected to arrive in school on time each day.

There are clear registration procedures in each school – identifying registration time/s and the length of time registration/s takes place.

Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office staff.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this as soon as possible.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents should request leave of absence using the SPT request form – and attach any appointment/invitation letters.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code.

- School staff will identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- School staff will call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer and home visits may be carried out.

Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels.

Reduced Timetables.

There may be times when for some pupils a reduced timetable is in place. Reduced timetables are reviewed regularly and must be supported by medical evidence and/or professional advice. Reduced timetables will be coded as such.

Authorised and unauthorised absence

Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school has developed a protocol on how it manages pupil leave of absence in exceptional circumstances; to support this process our schools will undertake a risk assessment to secure safeguarding. If the school has any doubt in regard to the safety of any pupil whose parent has requested an exceptional circumstance this will be discussed with the CEO/LADO/Social Care/MARU with immediate effect. In accordance to established protocols any Child in Care will not be authorised for any leave of absence from the school without discussing this with their allocated social worker.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. Any request should be submitted as soon as it is anticipated and, where possible, at least 15 school days prior to the absence, and in accordance with any leave of absence request form, accessible via school office/ website . The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision Absence should only be authorised where the pupil has attended at least 200 sessions in the preceding 12 months (rolling period)

Operation Encompass:

The school will take particular notice of any child who has been subject to an Operation Encompass telephone call; if a child is absent this will immediately be followed up with contact via MARU/Social Care/CEO/LADO. All details will be recorded in the school's safeguarding chronology.

Pupils with Long Term Health Issues:

If a pupil is unable to attend school because of long term health issues then they may be referred to the Local Authority Hospital Education Service (HES) so that trained teachers from HES can deliver learning at home.

Where there are long term health issues (including hospital stays) the school nursing service will be the conduit for all health related information between health and school.

Reduced timetables:

Reduced timetables can be used as an interim measure to support pupils with a medical need who need to reduce the hours they access school. Reduced timetables need to be agreed by both the school, parents and any external agencies that support the pupil and in consultation with the SEN caseworker. The school may request medical evidence that supports the reduced timetable and all parties will be invited to complete a risk assessment around the reduction in timetable. When the reduced timetable is agreed, the Local Authority are notified. These are short term measures to support a reintegration back to full time education. These should not be used to manage behaviour. We do recognise that some of our pupils have long term or degenerative health conditions. In these cases we would aim to regularly review the reduced timetable and all parties to agree that these arrangements continue to be in the best interests of the pupil.

Flexi-schooling:

Another option is to register a pupil for "Flexi-schooling" where a pupil can be educated off site; if flexi-schooling is agreed by any of our schools within our Special Partnership Trust they will follow the protocols determined by the Local Authority.

Any flexi-schooling agreement will be discussed/ agreed by the LGB and recorded as such in the minutes held; review of the flexi-school agreement will fall in line with the protocols agreed by the Local Authority. The school will discuss all aspects of school work which will be

addressed in the home environment and regularly reviewed by the school, this process will be discussed/ agreed with the parents and sent home, this will form the basis of all discussions held.

Out of school provision:

Some pupils/students within our Special Partnership Trust receive their education off site; any such provision will have been agreed with the Local Authority and will be documented as such within their Annual Review paperwork. As such, the school remains responsible for the education, safety and welfare of the pupil/student.

In order for any one of our schools to monitor this agreed school offer, each school will:

- Where children are off site, attendance should be recorded daily.
- Agree the aims/outcomes of the out of school provision/school offer with the Local Authority (record all aims/outcomes/frequency of visits within the agreed documentation provided by the LA)
- Ensure any out of school provider has the appropriate DBS checks and are compliant with the Keeping Children Safe in Education documentation
- Record the number of pupils within the Head Teachers report to Trustees/LGB
- Record the pupils electronically in accordance to the Local Authority's spread sheet 'Children missing from education' each term
- Make regular checks (at least half termly) with the provider on the agreed aims/outcomes (record all such checks on the template provided)

Strategies for promoting attendance

Each school works closely with pupils/ parents and carers to promote positive attendance and engagement with school. The context of pupil need is key – and development of an appropriate package of education, support care is an essential part of promoting attendance.

Legal sanctions

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days.

Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

Attendance monitoring

Through the regular scrutiny of attendance records the Head Teacher (DSL) and Deputy Head Teacher (DDSL) will be able to identify any concerns in relation to attendance particularly in relation to any aspects of the safeguarding chronology held by the school.

If a pupil is beginning to show a sporadic attendance record and this is not linked to any on-going medical complaint or additional reason of which the school is aware, the school will attempt to rectify this with the parents. The school will contact the parents initially via a telephone call to discuss and clarify reasons for lower attendance (all telephone conversations will be logged by the school). This will always be followed up with a letter outlining what has been discussed / agreed. If any issues continue, the Head Teacher will write to the parents / carers inviting them to a meeting (alongside The Education Welfare Officer and social care colleagues if / as appropriate) to discuss the reason(s) why attendance continues to decline and agree a support plan to rectify this.

If the child concerned continues to attend school sporadically following these measures this will be discussed with MARU / the EWO Team for their advice and guidance as outlined within our Safeguarding Policy.

Where there are multi agency partners involved the school will work alongside them to support attendance and will continue to report any safeguarding concerns through the usual channels.

The Trust wide Safeguarding Group considers attendance policy and practice as part of the safeguarding remit. Analysis of attendance (through trust wide reporting) informs the safeguarding group of attendance trends and patterns across the Trust.

Attendance Data

It is recognised that there are **no national attendance data sets** to benchmark our pupil's attendance although through research we have identified the following averages:

National average absence rate special schools	9.1%	SPT attendance target: 90% or above
National average mainstream	5.2%	

It is our aim therefore to scrutinise our attendance data to determine reasons for non-attendance to ensure we do not exceed the data benchmark.

It will be the responsibility of the office team to collate all attendance data recorded in pupil's registration certificates found within SIMs collating and presenting this in an attendance data report to the Head Teacher each term end. This data will enable the Attendance Officer to determine two aspects:

School data is analysed in detail every term as part of the head teacher reporting to Governors and Trustees.

- Raw data (**ACTUAL** attendance data recorded via registration certificates / Arbor)
- **VERIFIED** data (data which has been scrutinised to determine reasons/codes for any absenteeism)

Using agreed templates, the attendance officer will scrutinise the attendance data for each pupil whose attendance falls below the SPT benchmark (90.19%) adding supporting commentary if/as required. This information will be passed onto the Head Teacher to inform the report to the LGB/Trustees.

Verified data:

Through the scrutiny of attendance codes, the Attendance Officer will identify percentages in agreed areas to inform verified data using the raw data presented; such data will be supported by a commentary which demonstrates how the data has been analysed providing the reader with further context. Following such procedures will enable the attendance office to produce verified attendance data which in turn will be reported to the LGB/Trustees each term.

The Attendance Officer has the responsibility for monitoring progress data for any pupil who may experience a prolonged absence from school alongside the Head Teacher of the school and are not meeting the SPT attendance benchmark. Data associated with progress over time will be scrutinised and where this has slowed (emerging progress) opportunities will be identified to 'close the gap'. Such measures will be discussed / reviewed with the class teacher and the parents / carers will be contacted to discuss further; follow up discussions (if/as required) will take place in Pupil Progress meetings and will include parents/carers if/as necessary.

Where appropriate, the school will work closely with parents / carers to ensure the continuation of targets – e.g. – IEPs, therapy, academia can be addressed as much as

possible whilst the pupil is at home. The school will endeavour to provide any additional resources – e.g. – iPad, notebooks, and therapy plans that the parents would need to address targets identified. Remote learning will not be offered if the pupil is able to attend school, or if they are too ill to access it.

The attendance of all pupils will be formally discussed at each pupil's Annual Review with parents / carers and recorded via our Annual Report to parents. Attendance data will be formally recorded within the review paperwork provided by the Local Authority. Attendance data will additionally be recorded in the electronic e-PEPs paperwork for all Children in Care; this will be the responsibility of the designated Child in Care Lead.

Every child attendance/absence is recorded using the agreed code in the class register which is completed by class teachers on our online electronic system, Arbor. This information is then made available to the Local Authority and the DfE.

Attendance codes

The following codes are taken from the DfE's guidance on school attendance.

As of 1st August 2024, the DfE has released new attendance codes and archived some existing codes. All records of the old attendance codes will remain unchanged and can still be reported on as usual, but they should no longer be used for marking attendance.

LEAVE OF ABSENCE / EXCEPTIONAL CIRCUMSTANCE LEAVE REQUEST FORM

The law does not grant parents an automatic right to take their child out of school during term time. Any absence from school will disrupt your child's learning. You may consider that a holiday will be educational, but your child will miss out on the teaching that their classmates will receive during your holiday. Attendance is vital to academic success and lost education poses a potential risk of underachievement. This is something we all have a responsibility to avoid.

The Department for Education no longer allows Headteachers to grant any leave of absence during term time unless there are exceptional circumstances. If you consider that your request for absence is exceptional you will need to complete the form attached to this notification. A response will be sent to you as soon as possible. If leave is not authorised and you nevertheless withdraw your child from school, the absence will be recorded as unauthorised absence.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days. Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered. Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

All requests must be completed on this form; letters will not be accepted. This form should be returned to the Attendance Office at least 15 school days before the start of the absence.

I hope you will support our efforts in raising attendance and attainment in (SCHOOL NAME).

*I understand that if the absence request is unauthorised the school may request that Cornwall Council issue a Penalty Notice. I understand that a Penalty Notice is issued to **each** liable parent/carer of **each** child taken out of school and that this carries a fine of £80 if paid within 21 days, increasing to £160 if paid within 28 days (or £160 with no option to pay the lower amount if it is the 2nd penalty notice within a rolling 3-year period). I understand that if I do not pay the fine, it may result in legal action being taken against me. **I understand that parents have a duty to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) and Section 444(1A) of the Education Act 1996.***
