

Celebrating Cherry Class!

Term:
Autumn 2

Welcome back! We hope you all had a wonderful half term break.

In Cherry class, we are continuing to work on our Local Area topic and will be focussing all our efforts on organising and preparing for our annual Christmas Market in December.

Careers encounters

Extra curricular

WOW moments

We had a visit from St Austell Fire Brigade in Fire Prevention week. They responded to an emergency at the end of their visit and had to leave rapidly. The lights and siren were amazing!

English— We have been writing notes, letters and lists this term, and have been working hard in Phonics and enjoyed exploring different careers in the library.

Science— We have been learning about how solids, liquids and gases change when we heat and cool them.

DT— We have read and created lots of tasty recipes, and used the vegetables that we harvested from the polytunnel to make a delicious ratatouille.

RE—We have been thinking about our life experiences, and considering what we want our future lives to look like.

Trips and visitors —We have been lucky enough to go out of school and visit Par Track for Bikeability sessions. We also had an amazing performance of the Railway Children by a theatre group. We welcomed parents to join us for our Harvest Festival and Robbie from the Eden Project showed us some of the plants and seeds that we will see during our upcoming visit .

Developing our skills

Community Inclusion

Salvation Army

St Austell Library

Dave the vicar

Reminders!

Upcoming events!

Tuesday 5th November - Fire Work Safety Assembly

Monday 11th November - Remembrance Day

Friday 15th November - Children in Need

W/B 18th November - Anti Bullying Week

The class team..

Cherry Class is made up of teacher Sarah, teaching assistants Tatiane, Amie and Kerry and midday supervisor Michelle. We also have Lisa covering Sarah's PPA time on Monday afternoons.

You may see our names in the diary from time to time!

Next steps in our learning...

We will be planning, organising, creating and evaluating this term's project: Christmas Market! We will be focusing a lot of our learning around choosing and designing products, creating gifts to sell, advertising and promoting the event and actually holding the Christmas Market. Watch out for your invitation! We will also be considering how we can take care of our health and hygiene in Science, and learning how to engage with the world around us and our local community. Cooking will continue on Fridays with a focus on biscuit making, and we will develop and apply our jumping and seated balance skills and consider healthy competition, cooperative games and Personal Best challenges. We are also working hard towards our Duke of Edinburgh Awards.

Don't forget...

PE day is **Tuesdays** (please send kit on a Tuesday)

Swimming day is **Wednesdays** (please send kit on a Wednesday)

Snacks (Treat day is on Fridays!) We also cook in our kitchen on Fridays too!

Biffa Recycling visit...

We enjoyed our visit by Will from Biffa. We were brilliant at recognising how different rubbish can be recycled into the coloured bags.

For updates, information and useful contacts, please check our school website and Facebook pages.
