

Cornwall SPACE Pilots Youth Groups

Cornwall SPACE deliver 3 youth groups in Cornwall for young people with a learning disability. We currently have some limited space in our Liskeard and St Blazey Youth Groups.

Young People must be able to come to the group unsupported as we are unable to provide 1-2-1 support at our youth groups. Young People are welcome to bring their PA's for additional support if they would like to.

A referral must be completed before attending – please contact Cornwall SPACE on 01872 321 486 or e-mail cornwall.space@actionforchildren.org.uk
