

Student council

Attendance,

Cherry, Maple, Elm, Redwood, Apple, Cedar, Oak, and Juniper

Today in student council we looked at what extra curriculum activities they would like to

do in school.

This started of a big conversation in the class with lots of lovely ideas.

Cherry = dance, sports and Lego

Elm= music, dance

Apple= stories, sensory

Redwood = gardening, sensory, well being, science and cooking.

Oak and Juniper = sensory, outside, music

Maple = sports, dance and Lego

I said I would pass it all to SLT.

The question for next meeting is What two Christmas Choirs would you like to sing in

Makaton Choir ?
