

Student council

December 2024

Attended

Maple, Cherry, Juniper, Elm, Willow, Redwood, Cedar and Holly.

Agenda

We have a question from Sammy Lee from Mencap.

What do you like about Christmas ?

Sammy gave us a few ideas - family, presents, food and music.

It was lovely to hear that the students were getting excited about Christmas.

They informed us that they had talked as a class about What they like about Christmas ?

Most of the votes were for family and presents.

Some of the students added there own ideas.

Lights, smells, sounds and being outside.

Cherry class made a grid of their votes.
