

Student Council

Date - 1-4-25

In today's meeting we gather feedback from the learners about Who would you like to visit Doubletrees School?

The learners had some great ideas like Doctors, Nurses, Dentist and Artist.

The learners also wrote that they would really like to see a Magician, Archaeologist, Pilot, Lego designer and a Zoo keeper

all fantastic ideas.

We will take all their ideas to the teachers.

Our next meeting is to talk about Makaton Signing.

We can't wait to hear what our students think.
