

Celebrating Willow class!

Term:

Autumn 2
2025

Welcome back! We hope you all had a wonderful half term break.

In Willow Class, we've been diving into our topic 'Important People' while also exploring our class story, Wonder. It's been a fantastic experience, and we're excited to showcase the wonderful work and achievements we've accomplished so far this academic year!

Extra curricular activities

Sponsored 1km walk

Our learning so far:

Music - We've enjoyed playing different styles of music while developing our listening skills, sharing, and taking turns during group activities.

English - We are exploring Wonder, a story about a young boy with a facial difference who begins attending a new school and how we should accept all people as we are all different.

Science - In Science, we've been looking at different animals and exploring life cycles. We also looked at how to take care of animals and what 3 basic things they need to survive.

Visitors—We really enjoyed Cedar class coming to visit us to explore National Poetry Day looking at Autumn and exploring different sensory items linking to Autumn and singing a song.

Trips—We've really enjoyed getting back to our Bikeability sessions at Par Running Track, showing great independence and continuing to build on these skills.
