

# Celebrating Apple Class!

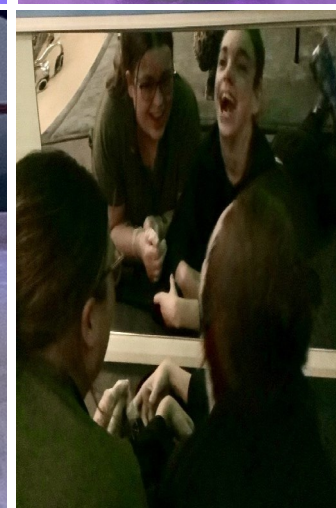

Term:  
Spring 2

Welcome back, hope that you all had a lovely half term break! We will be continuing with our 'Arctic Adventure' topic and will join together as a pathway to share our sensory story with our friends. We will explore ice and snow, create our own Northern Lights and warm up again with blankets and hot chocolate! Then preparations start for the Spring Show through Sensory Cookery and Process Art!

We have had a wonderful half term exploring our Arctic Adventure Topic which was really brought to life with our visit to Eden on Ice. This was a fantastic opportunity to explore outdoor learning whilst still being able to avoid all the rain and floods! We loved wrapping up warm and whizzing around the ice skating ring and sharing this fun day with parents ,
