

Celebrating Apple Class!

Term:
Summer 2

Welcome back, hope that you all had a lovely half term break! We will be continuing with our 'On our Doorstep' topic and we also have some fantastic activities and visitors planned for Arts Week including dance experiences and drumming workshops. Towards the end of the term, will be joining together as a pathway to share Sports Day fun and our End of Year Celebrations. We hope you can join us!

We have had a wonderful half term exploring our 'On our Doorstep' topic which has provided plentiful opportunities for getting out and about in our local environment. We have had a fantastic time feeling the wind in our hair as we sailed the seas on our boat trip. We are very much looking forward to continuing with our boat trips after half term and our bikeability sessions too! We have loved exploring the sights, sounds and smells of nature through our local walks and outdoor learning sessions. We have collected nature's treasures and created collages of our favourite items. Our planters are looking beautiful with colourful flowers and a range of different scented herbs ready for us to explore.
