

Sports Premium Funding: 2026-27 Anticipated Spend

Budget note: The £8,000 budget will build on effective 2025-26 provision, prioritising inclusive access, regular participation, sustainable equipment and specialist input that also develops staff confidence. Allocations are anticipated and may be adjusted in response to learner need and provider availability.

Planned Area of Spend	Spend	Intended Impact
Outdoor bikes, adapted trikes & helmets	£500	Improve the everyday outdoor experience by giving learners safe, accessible opportunities to learn and practise cycling in the yard. Supports confidence, balance, coordination and independence while allowing Bikeability skills to be applied and consolidated regularly.
Inclusive cycling / outdoor mobility resources	£1,500	Extend accessible outdoor physical activity and mobility opportunities so more learners can participate regularly and develop independence and physical confidence.
Specialist swimming & water safety	£1,500	Maintain equitable access to swimming, particularly for pupils needing enhanced support, while developing confidence, movement and water-safety skills.
Inclusive outdoor/adventurous activities	£1,250	Broaden accessible sporting experiences through sailing or comparable outdoor provision and give pupils opportunities that may otherwise be difficult to access.
Specialist coaching / whole-school sport	£1,000	Introduce pupils to a wider range of sports, increase engagement and upskill staff so successful activities can continue after external coaching ends.
Movement, sensory wellbeing & regulation	£750	Use movement-based provision to support physical activity, regulation and wellbeing while increasing staff knowledge and confidence.
Inclusive PE / playground equipment	£1,000	Improve the range and accessibility of equipment available for PE, outdoor learning and less-structured times, increasing opportunities for purposeful daily physical activity.
Staff CPD / specialist physical-development input	£500	Develop staff confidence in adapting PE and physical activity for a wide range of needs, supporting higher-quality and more sustainable provision.
