# Online Safety

Use these Makaton signs to support a young person to stay safe when using the internet.
To emphasis 'Safe' draw formation back towards body

Internet

Hint: this looks complicated but if you think of it as 2 signs it's a 'world' and then 'wiping a computer keyboard' (just tap your middle fingers together in the middle of the 2 signs)

Sign WORLD. At bottom of arc spread fingers out, middle fingers touch briefly as hands turn out and move forwards

Computer

Hint: You can also mime opening a laptop and typing as a sign if this is more appropriate to the type of computer being used
