

Weather Sensory Story

Introduction Song and Chorus for sensory story:-

Tune: Twinkle Twinkle, little star

Words: Anon/Hammond 2021

Look outside now; can you say
What the weather is like today?
Is there sunshine, is there rain,
Is wind blowing down the lane?
Are there snowflakes falling down,
Are there big clouds floating around?
Look outside now can you say
What the weather is like today?

Snow	See the cold snowflakes swirl around See the cold snowflakes swirl around They are swirling through the air What a wintery sight you make See the cold snowflakes swirl around.	Flour or icing sugar and sieve. Eye line.

End of session song:-

We've looked outside and we can say

What the weather is like today

There was sunshine, there was rain
Wind was blowing down the lane
There were snowflakes falling down
And big fluffy clouds floating around.
We've looked outside and we can say
What the weather is like today.
