

Parents/ Carers agreement to pupil/ student - ICT Acceptable Use Policy (AUP)

The aim of an Acceptable Use Policy is to ensure that pupils/ students benefit from learning opportunities offered by the school's Internet/ On-line and Computing resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP (this document) is not adhered to this privilege may be withdrawn and appropriate sanctions – as outlined in the AUP – will be imposed.

Before signing, the AUP should be read carefully to ensure that the conditions of use are accepted and understood. This policy includes the acceptable use of any ICT equipment which is sent home with the pupil/ student which remains the property of the school.

The School's Strategy

All schools in the Special Partnership Trust (ST) employs a number of strategies in order to maximise learning opportunities and reduce risks associated when using the Internet. These strategies are as follows:

General

- Internet sessions will always be supervised by a teacher
- Filtering software and/ or equivalent systems will be used and checked on a regular basis in order to minimise the risk of exposure to inappropriate material; any breaches will be fully investigated
- The school will regularly monitor pupil/ student Internet usage, noting any breaches to such use
- Students and teachers will be provided with training in the area of Internet/ On-line safety including the Prevent agenda; this will form part of the schools PSHE/ Relationships scheme of work
- Uploading and downloading of non-approved software will not be permitted
- Virus protection software will be used and updated on a regular basis
- The use of personal storage systems (USB memory sticks) or other digital storage media in school requires a teacher's permission
- Pupils/ students/ parents will treat others with respect at all times and will not undertake any actions that may bring the school into disrepute or upset others
- Teachers will seek any additional advice/ guidance required from DNS Duchy Solutions/ SPT Communications manager on the Acceptable use of ICT if/ as required

Parents/Carers - ICT Acceptable Use Policy

- Face-to-face meetings with someone organised via Internet chat will be strictly forbidden

School Website

- Pupils/ students will be given the opportunity to publish projects, artwork or school
 work on the World Wide Web in accordance to clear policies and approval processes
 regarding the content that can be loaded to the school's website
- The website will be regularly checked to ensure that there is no content that compromises the safety of pupils or staff and demonstrates compliance to the DfE statutory guidance
- Website using facilities such as guest-books, notice boards or weblogs will be checked frequently to ensure that they do not contain personal details
- The publication of student work will be co-ordinated by a teacher
- Pupils/ students' work will appear in an educational context on Web pages with a copyright notice prohibiting the copying of such work without express written permission
- The school will endeavour to use digital photographs, audio or video clips focusing on group activities. Content focusing on individual pupils/ students will not be published on the school website without the parental permission. Video clips may be password protected
- Personal pupil/ student information including home address and contact details will be omitted from school web pages
- The school website will only publish the first name of individuals in a photograph (where permission has been granted)
- The school will ensure that the image files are appropriately named and will not use pupil/ students' names in image file names or ALT tags if published on the web
- Pupils/ students will continue to own the copyright on any work published

Personal Devices

 Pupils/ students using their own technology in school, such as leaving a mobile phone turned on or using it in class, sending nuisance text messages, or the unauthorized

- taking of images with a mobile phone camera, still or moving is in direct breach of the school's acceptable use policy
- All schools will adhere to the SPT mobile phone/ personal devices policy approved by Trustees
- Personal devices used for educational purposes such as communication aids may be used in school. Pupils/ students are not permitted to send and receive texts, make and receive phone calls or access social networking sites on these personal devices in school
- Pupils/ students can only use the camera on these devices to take photographs of pupils/ students who have parent/ carer permission and with supervision

Parents

- In order to keep all pupils/ students safe parents using video/ photographic devices in school performances etc may do so but for personal use only and are asked not to upload these to social networking sites or to share in the public domain
- The criteria for all aspects of this acceptable use policy applies to all school devices that are also used at home (communication aids etc)

Sanctions

 Misuse of the Internet may result in disciplinary action, including written warnings, withdrawal of access privileges and, in extreme cases, exclusion or expulsion. All schools within the SPT reserves the right to report any illegal activities to the appropriate authorities.
