# Be Safe on Social Media

1
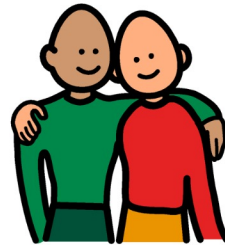

Be careful what you post or click on.

Do you want everyone to see it?

2

Are they my real friends?

Don't be friends with strangers.

3

If someone is not being nice to you.
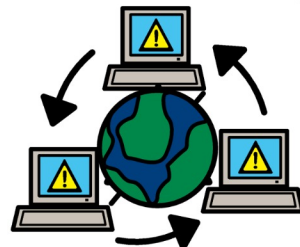

Have I blocked them or unfriended them?

4

If someone posts something nasty or offensive.Don't reply. Report it to the website.
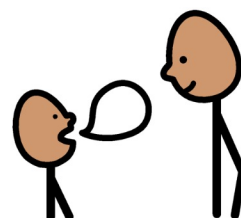

5

Can everyone see all of your photos/posts?
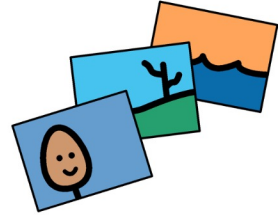

Have I got my privacy settings set up?

6

If you're upset or unsure what to do.Show an adult who understands the website.
