

Welcome Back to Apple Class!

WHAT'S ON

Autumn 2
2022

Hello and welcome if you are new to Apple Class and welcome back if you are one of our old friends! Our new topic is 'Celebrations' which is a fantastic topic for this time of year! In Sensory Story and Sensory Art sessions, we will be having fun exploring some of the Autumn and Winter festivals. We will be making sparkly, scented potions, investigating light and dark exploring all things Christmas!

Cognition

Our focus will be developing anticipation and exploring cause and effect through switch work and exploring noise making and vibrating bprops. We will be using switch activated toys and range of light up and vibrating switches.

Communication

Bucket Time and our 'Celebrations' Sensory Story provide opportunities to use our senses to explore a variety of props as well as showing responses, developing preferences, anticipating, choice making and requesting 'more'.

SEMH

We will be looking at health and wellbeing and be engaging in activities which make us happy and healthy. We will develop our preferences, consistent responses and choice making skills and celebrate things we enjoy.

Sensory Physical

To work towards our therapy targets, we will continue to use personal physiotherapy equipment in class daily. We will also be practising our focussed looking, transferring our gaze and tracking through visual stimulation activities.

RE Our RE topic this term is Buildings and Statues. We will be exploring features of religious places and items and representing this in art form.

RSE Apple Class will continue to work on personal targets as part of our daily routines and through sessions such as Positive Touch and Massage.
