WHAT'S ON

Term: Summer 1

We hope you all had a good half term break. We are happy to have our learners back in class ready for a busy summer term! Thank you to everyone who supported us with our 'Bloomin' Marvellous' topic last term, we are excited to know how your sunflowers are doing?

This term our topic is 'The News' with a big focus on HRH the King's coronation

Cognition

We will continue to focus on our individual cognition targets, working on 'realising the effect that I can have on a reactive environment' in our *Make it Happen* lessons.

Our online safety topic is:
Who can I trust?

Communication

We will be focussing on our local area with our Sensory story: '*A King is Crowned*'

We continue to enjoy books each day as part of our shared reading, please let us know any favourites from home.

SEMH

We continue to work on individual Social, Emotional and Mental Health targets as part of our daily routines and during lessons such as *Positive Touch* and collective worship

Sensory/Physical

We will continue to swim as often as we can. Our Real PE theme is moving our bodies to make something happen.
Working on a single skill or movement with some control.

RSE/PSHE This term we will be thinking about *The world we live in: Taking care of the environment* We develop meaningful and respectful relationships by spending time with both familiar and less familiar people and engaging and sharing in experiences together. We ensure that there is space to share how we are feeling and that everyone's feelings are acknowledged and acted upon appropriately.
