

Welcome Back to Redwood Class

Term: Summer 2

We hope you all had a good half term break. We are happy to have our learners back in class ready for a busy summer term!

It's looking to be a hot one so please ensure your young person is prepared for outdoor learning with sun cream and hat (where possible). This term our topic is 'Sports Day' with a big focus on our end of term celebrations.

Cognition

We will continue to focus on our individual cognition targets, working on 'realising the effect that I can have on a reactive environment' in our *ICT* lessons.

Our online safety topic is:
Who can I trust?

Communication

We will be focussing on our local area with our Sensory story: 'It's a wonderful World' based on the song by Louis Armstrong.

We will also be practicing the song with Makaton for our end of term assembly.

SEMH

We continue to work on individual Social, Emotional and Mental Health targets as part of our daily routines and during lessons such as *Positive Touch* and collective worship.

Sensory/Physical

We will continue to swim as often as we can.

Our Real PE theme is moving our bodies to make something happen. Working on a single skill or movement with some control.

PSHE This term we will be thinking about *Self care, support and safety*. We will be practising self care through relaxation and massage, keeping ourselves clean (PSHE bags at lunch time) and carrying out routine tasks with increased independence. As part of this we will also continue to go out into the community once a week to the local Post Office and Park.

- INSET day 3rd July
- Sports Day 11th July
- End of year celebration assembly + leavers graduation 21st July

Redwood Class Team

Class Fund

Thank you to those who contribute to our half termly class fund, this supports us in our Cooking/ Design and Technology and Sensory Exploration lessons. If you are able to contribute please do so through Parent Pay.

Swimming

Please ensure that your child has a swim kit in school on their swimming day or a spare kit that can be kept at school.

Outdoor Learning

We enjoy spending time learning outside. Please ensure that your child is ready for all weathers! Sun cream should be applied in the mornings when necessary and a name labelled bottle sent in where appropriate.

Individual Education Plans (PLGs)

At the start of this term you will have received your young person's updated PLGs. Any questions please ask.

For updates, information and useful contacts, please check our school website and Facebook pages.
