

# Welcome Back to Rowan Class

**WHAT'S ON**

Summer 2  
2023

Hello, everyone! Welcome back to Rowan Class, we hope you all had a wonderful break.

This term we are continuing our topic of 'The Seaside' with a wonderful new sensory story; 'Summer by the Sea'. We are also going to be exploring the work of local Cornish artists and have a potter coming in to do a pottery workshop with us. This is going to be a very busy but exciting term with our Sport's Day in July!

## Cognition & Learning

Our focus will be continuing to explore cause and effect and making purposeful actions on our environment using a repeated movement. We have been enjoying achieving this through switch work, cause and effect toys and exploring noise making and vibrating props.

## Communication & Interaction

Sensory Music, Art, Bucket Time and our 'Summer By The Seaside' Sensory Story provide opportunities to use all our senses to explore, show responses, develop preferences, anticipate, choice make and request 'more'.

## SEMH

We will be spending lots of time outside in the natural environment and continuing to develop our curiosity in nature. We will continue to build meaningful relationships through Intensive Interaction and HOP time where we spend quality time together.

## Sensory Physical

We will be continuing to work on daily therapy targets using equipment in class and in the Sensory Integration Room.

We will also be refining our choice making through transferring our gaze or reaching for desired pictures and objects.

## RE

Our RE topic this term is 'Community and Helping Others' We will be pairing up with other classes to share stories, craft, HOP and Tac Pac.

## RSE

Rowan Class will continue to work on personal targets as part of our daily routines and through sessions such as HOP, Positive Touch, Total Communication and Story Massage.

Sports Day 11th July.

School will be closed for a training day on Monday 3rd July
